WELCOME TO THE ROUND VALLEY DOME

Some notes on the indoor contest in Arizona.

The towns of Eagar and Springerville are right next to each other. If not for the sign you would not know when you passed from one to another.

The Dome is located in Eagar. The mailing address for the school is in Springerville.
Friday evening we will meet at the Trail Riders Restaurant for dinner.

Saturday evening we will meet for dinner at a location we decide upon. This will be mainly a social event but subjects related to modeling will be welcome. Be advised that some of the eating establishments have gone out of business due to the economy in Eagar. I will know more about what is available later.

After the contest, (Monday morning) a few of us from the Phoenix Model Airplane Club and some of the guys from The Magnificent Mountain Men M.A.C. will be helping the school with an aviation project with the STEM students using the Mountain Lion. The science department and the district superintendent are very enthused as are we. This has been a lot of fun for us as well as the students.
